All the settings included in this leaflet have completed **Play Disability Awareness Training**, funded by Lambeth Play Pathfinder Programme and delivered by Whippersnappers. They have completed 18 hours of training in *Communication Methods*, *Understanding Diagnosis* and *Access and Accessibility*.

Please be aware that settings may not always have funding in place to offer 1:1 support for children and young people. Parents/carers may choose to explore other options such as employing their own support worker using funds from their direct payment packages. HMRC working family tax credits can also be contacted through www.hmrc.gov.uk/taxcredits or by calling their helpline on 0845 300 3900.

For children with complex needs you may wish to contact Whippersnappers or Charlie Chaplin APG.

Parents/ carers may also wish to attend settings with their own children.
It is advisable to make arrangements with each individual setting.

All the settings listed on this leaflet are inclusive and positively welcome all children with and without disabilities.
