Important Information

Please read before filling in booking form

What is included in your party package?

- Hire of the venue
- Basic kitchen facilities, eating area with tables, tablecloths and chairs
- Entertainment space with stage, disco lights, sound system
- A party coordinator/ entertainer and second staff member on site to support with site management.

The role of a party co-ordinator/entertainer is to:

- Contact the party family to plan bespoke entertainment for the birthday child and provide entertainment on the day for the birthday child and guests.

What happens on the day of the party?

Setting up;

- The room is booked for 4 hours but the party booking is for 2 hours.
Please check your party time; Saturdays and Sundays: 11am – 1pm and 3 – 5pm
- The extra two hours are for setting up before and clearing up after the party.
- When you arrive, the tables and tablecloths will be set up, and the party coordinator will be organizing the equipment needed for the entertainment.
- You, as the party host, will be responsible for putting up any additional party decorations that you bring to the venue. No tape or pins should be used so please bring blu-tack and string.
- If there are any last-minute requests use the setting up period to speak to the Party Coordinator.

Kitchen Facilities (available to party bookers)

- Microwave
- Fridge
- Kettle

Please note no hot food should be prepared on site and there is no cooker available for public use.

Environmental Policy

Whippersnappers are committed to minimising unnecessary waste as part of our environmental policy. We would therefore prefer our customers to use our reusable plastic plates and cups, rather than bringing their own disposable paper plates and cups.

If you do wish to bring your balloons and fill them with helium, you must take your helium cannister home with you. This is because portable helium cannisters need to be recycled at your local recycle centre. Also, unfortunately we don't allow balloons filled with glitter, they pop and are very difficult to clean up, as well as not being good for the environment.

Using reusable decorations would also be very much appreciated. Thank you for helping Whippersnappers be an environmentally friendly organisation!

Entertainment booked through Whippersnappers

The Whippersnapper party entertainer will contact you a couple of days before your party to plan the entertainment. We usually provide a 20 minute arrival time of free play and face painting so the children have time to arrive and settle into the space.

After face painting we do 40 minutes of party games and entertainment before breaking for lunch or tea. After eating we will do more entertainment i.e. magic show, party games, disco, best dancer competition or what you have planned with your entertainer.

Bringing your own entertainer

If you wish to book your own entertainer then you would need them to provide their public liability insurance and check their DBS status. The entertainer needs to be booked for the full 2 hour duration of the party.

Clearing up

- The party space must be vacated within the allocated time unless an agreement has been reached to indicate otherwise.
- The party space will need to be cleared of food debris and wrapping paper – we supply a vacuum cleaner for you to use.
- Do ensure that you clean the kitchen. All crockery should be washed by hand.
- All rubbish should be bagged in bin liners provided by the Whippersnapper party coordinators.
- If any breakage or spillage occurs please notify the party coordinator.
- Do try to keep your possessions secure as we are not liable for any theft. If you do leave anything behind, please call our Office on 020 7738 6633 or email info@whippersnappers.org

Notes on health and safety

Numbers attending

- In compliance with the Children's Act, your party must have the right ratio of adults to children.
The ratios are as follows:

For children aged 3 and under it is 3:1 (that is 1 adult to 3 kids)

For children aged 4 – 7yrs it is 8:1

For children aged 8 and over it is 12:1

- Whippersnappers recommend a maximum of 25 children due to the size of the venue. Our absolute maximum is 30 children for health and safety reasons.
- Be aware when inviting younger children you're more likely to have more parents and more buggies, so please take this into consideration.

Safety

- Parents are responsible at all times for all children present. At no time should any of the children be left without adult supervision.
- Whippersnappers are only responsible for the venue and entertainment. If any children are left on site without parents, they are the responsibility of the party host. We recommend you take parent's emergency contact numbers.
- Food should be consumed in the designated area and children should be encouraged to eat at the table. Please ensure that no one runs around with food. We recommend that pieces of cake be given in party bags as this protects the floor and reduces your clearing up time. If you choose to give children cake to eat at the party this must be done sitting at the table and hands washed afterwards. Please also be mindful of possible food allergies.

Fire Regulations

- Our FIRE PROCEDURES are outlined on the wall by the extinguishers. We expect you to familiarise yourselves with them. Please make sure that none of the fire exits are blocked.

Parking

- Parking on Brockwell Lido car park is free for the first 2 hours.
